

## INSURANCE FIRMS PROTEST AGAINST TAX

**Democratic Representatives Being Beseiged By Companies**

## MAKES SLOW PROGRESS

**Wool Schedule of Tariff Bill Will Probably Be Reached Today**

## HARD FIGHT IS EXPECTED

WASHINGTON, APRIL 15.—Democratic representatives from all sections are being besieged in letter and by personal representatives of insurance companies protesting against their inclusion as taxable organizations under the corporation tax provision of the tariff bill now under consideration before the house Democratic caucus.

Hull's Desk Piled With Mail. Representative Cordell Hull of Tennessee, author of the income tax feature, said today that his desk was piled with mail from insurance companies protesting that they are not profit-taking organizations. The matter may be brought up in caucus, but the Democratic leaders declare that insurance organizations were given careful consideration when the law was framed, and that opposition will not avail. With the caucus making slow progress on the tariff bill the wool schedule probably will be reached tomorrow when the opposition Democrats will make their most strenuous fight. The anti-free raw wool representatives have organized for the contest, and although the odds against them are admittedly overwhelming they propose to make a determined struggle to bind the caucus to a 15 per cent duty on raw wool as a substitute for its free listing by the committee at the request of President Wilson. Representative Ashbrook of Ohio is chairman of the free wool opponents' conference. Failure in the caucus may result in requests for exemption from the pledge so that the fight may be continued on the floor of the house. Wheat, citrus fruits and cotton were the chief targets of the opposition in the caucus today, the cotton schedules still being under consideration upon adjournment. No changes were made in the committee's bill as a result of the day's discussion, advocates of increased duties on wheat as well as those favoring its free listing being voted down, and members who urged increased duties on citrus fruits, pineapples, cotton yarns and other articles meeting a like fate.

Underwood Resumes Control. Representative Underwood, chairman of the ways and means committee, was able to resume control of the bill in the caucus. Representative Rairay of Illinois had charge of the agriculture schedule for the ways and means committee.

The most stubborn opposition of the day came from southern members on some of the cotton rates. Representative Webb of North Carolina proposed to increase the proposed rates on twisted, mercerized and otherwise finished yarns. The committee's rate of duty ranged from a per cent to 25 per cent.

The Webb amendment would have increased these rates beginning at ten per cent on the lower grades and running up to thirty per cent on higher grades. The amendment was voted down by a vote of 19 to 84, the first roll call of the day.

Broussard Assails Schedules. Representative Broussard of Louisiana vigorously assailed the proposed duties on chickery, chocolate and cocoa, dandelion root, acorns and other substitutes for coffee proposed in the committee bill, moving to place all of them on the free list as a boon to the breakfast table. He called attention to the recent holding up by the government of Brazilian coffee and argued that the people were entitled to coffee substitutes without any tariff. His amendment was voted down, however, adherents of the committee explaining that the reciprocity features of the bill would afford means for negotiation with Brazil, which country placed an export tax on coffee when the United States put it on the free list.

## WORRY CAUSES SUICIDE.

Chicago, April 15.—Worry over her inability to continue her music lessons is believed to have caused the suicide today of Miss Helea Sedgewick, 18 years old. Two months ago she pawned the last of her jewelry to pay for vocal lessons. She fell out of an automobile about three months ago and although she continued to study music she was not able to work. She was forced to pledge a ring and necklace to pay her instructor. When this money was gone her lessons ceased. She brooded over the situation and today took poison. She was a stenographer.

## FEDERAL STRONGLY FORFEITED

Guaymas, Sonora, Mex., April 15.—Although evacuating Emiliano, which immediately was occupied by state troops, the 600 federals here late today forfeited a strong position in a suburb of Guaymas.

## THREE CANDIDATES NAMED FOR D.A.R. HEAD

**OPPOSING FACTIONS PREPARE FOR ELECTION TODAY**

Rumors of Darkhorse Fail to Materialize—Mrs. Scott Denounces Attacks on Conduct of Financial Affairs By Conservatives.

WASHINGTON, APRIL 15.—With the nomination in the continental congress tonight of the three avowed candidates for president-general about whom a political fight has been going on for weeks past, opposing factions of the society of the Daughters of the American Revolution made final preparations for tomorrow's election—the all important event of the year with the D. A. R.

Only Three Names Presented. Rumors of darkhorses failed to materialize at tonight's session and the only names presented in the president-generalship race were those of Mrs. John Miller Horton, of Buffalo, popularly known as the "administration candidate," Mrs. William Cummings Story of New York, head of the conservative party and Mrs. Charles B. Bryan of Memphis, Tenn. Each was nominated by a member of her own chapter and seconded by four delegates from other chapters. Full tickets for all of the other general offices were put in the field. The nominating session passed off quietly, trouble threatening only once. That was when somebody suggested that seconding speeches be limited to one minute each. It was near midnight when the congress adjourned.

Declares Attacks Unfounded. Attacks by conservative leaders upon the conduct of the financial affairs of the organization, were denounced as unfounded today by Mrs. Matthew T. Scott, retiring president-general in her report on the indebtedness of Continental hall here. Mrs. Scott declared these reports had been circulated by the faction of the society that desired a change in the administration of the society's affairs.

"There may be reasons," Mrs. Scott said, "why you may prefer a change in the administration of your affairs, to every woman in the organization belongs the right to have her own opinion on these matters, and to every woman also belongs the inalienable right to give that opinion on the ballot. But the intimation that such a change is necessary in order that money contributed to the payment of the debt of Memorial Continental hall may be specifically applied to the payment of that debt, is a libel upon the integrity of your chairman and is a libel upon the integrity of the administration."

## COMMISSION RESTRAINS C. M. & S. P. FROM RAISING TARIFF

**Road's Announcement That it Would Raise Switching Charges at Chicago, Leads Other Roads to Announce Increased Shipping Rates.**

Springfield, Ill., April 15.—The Illinois railroad and warehouse commission today entered an order restraining the Chicago, Milwaukee & St. Paul railroad company from increasing its rates on coal by raising its rates for switching the above named commodity. Some time ago the C. M. & St. P. announced that it would increase its switching charges over its terminals at Chicago. This decision was immediately followed by the announcement from other roads that they would increase their shipping rates in order to make up for the increase in switching charges they would have to pay when using the C. M. & St. P. terminals. The state commission says that the railroads must adjust their rates so that they shall not exceed the limit fixed in the tariff of August 1st, 1911.

## JOHN MITCHELL ELECTED TO CONGRESS FROM MASSACHUSETTS

**Selection of Democrat Ends Three-cornered Contest in Which Tariff Discussion Figured Prominently.**

Boston, April 15.—John J. Mitchell, a Democrat, was elected to congress from the thirteenth district today, after a three-cornered contest in which the tariff discussion figured prominently.

Mitchell's plurality over Alfred H. Cutting, Republican, was 4,418. The vote for Norman H. White, Progressive, fell 3,260 short of that for Cutting. Today special election was necessary on account of the election of the former congressman, John Weeks to be United States senator. In the election last November, Mr. Mitchell, who was successful today, was defeated by Mr. Weeks by 2,351 votes. The tariff, and recently the Underwood bill, were practically the only topics debated in the campaign.

## RELEASED FROM THREE YEAR SENTENCE.

Chicago, April.—The federal court of appeals here today freed Eugene M. Stockton of Chicago, sentenced to three years in the Leavenworth penitentiary for mail frauds in selling crooked gambling devices. Stockton advertised "loaded" dice and other implements, stating that they were for "catching suckers."

The court of appeals held that Stockton had not misrepresented his goods and that his responsibility ended there if he did not cheat his customers.

## CHANGE FOR WORSE IN POPE'S CONDITION

**Temperature of Pontiff Raises to 100 In Early Evening and Later 102**

## BROTHER ARRIVES

**General Prostration Results From Over Exertion—Unable to Retain Nourishment**

## BRONCHIAL AFFECTION WORSE

ROME, APRIL 15.—One again there has been a sudden change for the worse in the condition of Pope Pius X. It is changes such as this that have repeatedly transformed his feeling optimism regarding pope's recovery into one of grave anxiety in the knowledge that each recurrence withdraws something from the vital forces of the holy father.

Careful Watch Being Kept. Notwithstanding the reassurances of Prof. Marchiafava, a careful watch is being kept on the pontiff as there is doubt that the satisfactory "general condition" of the pontiff as reported by the doctors is borne out by the facts. The temperature of the pope, which throughout almost the whole day remained at 97 degrees, in itself indicating depression and weakness, rose in the early evening to 100, and later to 102. The bronchial symptoms, which at the morning examination were found to be diminished, presented new and grave features this evening. The affected zone on the left side of the chest was further congested, with a possible area of consolidation—one of the signs of pneumonia—and the sounds within the bronchial tubes were more pronounced.

## Order Examination of Sputum

The attending physicians order a special bacteriological examination of the sputum in order to ascertain whether it contained infectious material and the nature of the detritus that threatens to block up the lungs. The pope's condition is much worse owing to the fact that he did not take sufficient rest to day and over exerted himself, as he had done on previous occasions. This resulted in general prostration, elevation of the temperature and inability to retain nourishment, even the very lightest nutriment.

## Pope's Brother Arrives.

The arrival in Rome tonight of Angelo Sarto, the pope's brother was interpreted in some quarters as a certain sign that all hope had been abandoned. It was forgotten that Angelo Sarto left his own village on his journey to the Holy City long before the present setback of the patient occurred—in fact when the condition of the pope had greatly improved.

Angelo was received with open arms by his sisters who seem to think that the more the pope is surrounded by members of his family, the easier it will be to save him.

Prof. Marchiafava's visit to the sickroom tonight lasted forty minutes. When he left the Vatican he was besieged for details, as the aggravation of the pope's condition was already known, but he renewed his assurances that the situation was not grave. This statement being received with incredulity the physician remarked that if there were any real danger he would have remained at the Vatican, or would go there during the night, which he did not intend to do. Still unconvinced the correspondents arranged to watch his house to ascertain whether he returned to the Vatican before morning.

## Physicians Issue Statement.

Drs. Marchiafava and Amici issued the following statement this evening: "The pope's temperature tonight is above 100 degrees. The bronchial affection is somewhat worse. The good general condition of the patient continues."

Dr. Amici remained in the sick room until midnight. He made hourly note of the symptoms which were communicated by telephone to Dr. Marchiafava. Both agreed that the condition of the pope was practically stationary.

Towards midnight the pope fell in to a doze and shortly Dr. Amici retired to the ante-chamber. The pope's sisters left the Vatican but his nephew, Father Parolin, remained spending most of the time to watch near the pontiff's bedside.

## Spanish Ambassador Visits Secretary

Owing to the increase in the temperature and a frequent irregular pulse the pope gave signs of considerable restlessness and at times again expressed difficulty in breathing. The Spanish ambassador today visited Cardinal Merry del Val, the secretary of state, and inquired regarding the progress of the pope in the name of King Alfonso. At the time he said, he had been delegated to express the feelings of the Spanish royal family for the kind thoughtfulness of the holy father who while ill and while the world was trembling for his health, had sent his congratulations to the king for his escape in the recent attempt against his life.

New York, April 15.—Jack Britton of Chicago outpointed Matty Baldwin, the Boston light weight in a one sided ten round bout here tonight.

## TUESDAY IN CONGRESS.

### Senate.

Received nominations from the president, including that of Walter H. Page, as ambassador to Great Britain.

Republicans held caucus on policy to be adopted toward President Wilson's nominations.

Senator Hitchcock introduced resolution calling for all correspondence between United States and Colombia relating to claims for partition of Panama.

Suffrage sub-committee decided to resume suffrage parade hearing Wednesday.

Senator Kenyon introduced bill to punish lobbying and one to provide house of rest for railroad employees.

Senator Cummings gave notice that he would on Friday ask amendment of rules so that senate vote could be had on any item of conference reports on tariff bills.

Adopted resolution calling on secretary of treasury for report whether railroads and express companies operating under land grants had been paid for carrying government goods.

Adjourned at 1:40 p. m. until noon Thursday.

### House.

Democrats in caucus resumed consideration of tariff bill, discussing agriculture schedule. Rules committee is considering a special rule for immediate consideration of sundry civil and Indian appropriation bills.

## DEFENSE RESTS IN PFANSCHMIDT CASE

**TESTIMONY IN REBUTTAL INTRODUCED TUESDAY AFTERNOON**

Case of State Purely Circumstantial? and That of Defense That Ray Has Proved An Alibi—Will Probably Go to Jury Thursday.

QUINCY, ILL., APRIL 15.—All of the evidence has now been introduced in the case of Ray Pfanschmidt on trial in the circuit court of this county on quadruple murder charge. The defense rested its case at noon today and the state occupied the afternoon introducing testimony in rebuttal to that presented by the defense. The rebuttal consisted principally of the affirmation by various witnesses of statements made to them by Ray Pfanschmidt which the defendant had denied on the witness stand. The testimony also further proved that the relations between Ray Pfanschmidt and his family were not so pleasant as the relatives had indicated in their testimony.

The case of the state is purely circumstantial and rests principally on the evidence of the tracks in the Pfanschmidt barnyard and the bloody khaki suit found in the vault near Ray Pfanschmidt's tent. The case of the defense is that Ray Pfanschmidt has proved an alibi on the two evenings in question and that all of the khaki suits belonging to Ray Pfanschmidt have been accounted for and introduced in evidence. The khaki suit found in the vault therefore, the defense insists, is necessarily a "plant."

The entire day tomorrow will undoubtedly be taken up with arguments to the jury. The argument will be opened by Assistant State Attorney Wagner. He will be followed by States Attorney Wolfe. Attorneys George Govett and Emory Lancaster will both speak for the defense and Attorney John Wall will close for the state. The case will probably go to the jury some time Thursday.

## PRESIDENT CONSULTS SENATORS ABOUT PROSPECTIVE APPOINTMENTS

Mr. Wilson is Understood to Have Discussed Only Minor Appointments.

Washington, April 15.—President Wilson cut away from his regular afternoon program of receptions today and consulted a number of senators about prospective appointments. Senator Vardaman of Mississippi, LaFollette of Wisconsin, Martin and Swanson of Virginia, Fall of New Mexico and Warren and Clark of Wyoming were among those summoned to the white house.

The president is understood to have discussed only minor appointments. Senator LaFollette said he had mentioned no other subject. Senator Vardaman, however, chatted a few minutes about expediting the tariff bill in the senate, commending the president for his effort to get prompt action.

Mr. Wilson is giving his attention to scores of minor appointments and expects to make rapid inroads this week into the list of postmasterships, many of which went to the senate today.

The president has not made any more diplomatic selections. He sent the name of Walter Hines Page to be ambassador to Great Britain to the senate today. Tomorrow night President Wilson will give his first dinner to the cabinet.

## SUSTAINS DANIEL'S ACTION.

Washington, April 15.—President Wilson today formally sustained the action of Secretary Daniels in declining to promote Captain Tempelin M. Potts, U. S. N., to the grade of rear-admiral on the ground that he had not seen sufficient sea service under his captain's command.

## EFFORTS TO PREVENT FRICTION WITH JAPAN

**President and Secretary Bryan Confer With Viscount Chinda**

## ALIEN LAND LAW PASSES

**Anti Alien Land Ownership Bill Is Passed By Lower House of California Legislature**

## DESIGNED PRIMARILY AT JAPS

WASHINGTON, APRIL 15.—Efforts to prevent friction between the United States and Japan, over the proposed California alien land holding bill, were continued today by President Wilson and Secretary Bryan in conferences with Viscount Chinda, the Japanese ambassador. The ambassador called first at the white house to talk with the president and then proceeding to the state department to confer with Secretary Bryan.

Nature of Conference Withheld. There was no announcement as to the nature of the conferences, but it was admitted that the California problem was under discussion.

Without offending the people of California by any official interference with their legislative proceedings the president and his secretary of state have unofficially conveyed to certain influential persons in California the hope that the projected legislation will not be permitted to take a form that would justify the Japanese government in asserting that it constituted a breach of the treaty obligations of the United States. The purpose of today's conferences it is understood was to ascertain whether the bill as amended is still objectionable to Japan, and if so in what respect. The ambassador is said to have indicated that further changes must be made in the bill before it can be said to be acceptable to Japan and that these changes must take the form of amendments to place all aliens on even terms. The Japanese government contends the bill in its present state does not do this. In spite of the assertions of the promoters of the measure in the California senate that the discrimination contained in the first bill has been removed.

## Permits Europeans to Acquire Land.

It was pointed out today that as it stands, the bill would permit the subject of a European state to acquire land in California by the simple process of declaring his purpose to become a citizen of the United States while the Japanese cannot acquire citizenship. It is admitted that it would be difficult to amend the measure to meet this objection without developing strenuous opposition from the large European colonies in California.

The negotiations are being carried on very cautiously, and it is assumed that the Japanese ambassador is communicating with his government at every step in the exchanges.

Sacramento, Calif., April 15.—An anti-alien land ownership bill, designed primarily to prevent Japanese from acquiring title to real estate property within the state, but so worded as to prohibit any alien from owning land more than one year except upon a declaration of his intention to become a citizen, was passed today by the lower house of the legislature by a vote of sixty to fifteen.

After two hours had been spent in debating proposed amendments, the bill went to a roll call without a word of argument. The measure was drafted by a sub-committee of the judiciary committee as a substitute for bills previously introduced, all of which specifically provided that "aliens ineligible to citizenship should not hold lands."

The committee, however, proceeded on the theory that such a statute might be held in violation of the treaty rights of Japan subjects and broaden the measure to include all aliens who had not declared their intention of becoming citizens.

In order not to embarrass foreign corporations, the committee did make the corporation clause of the bill, Section VIII, to apply only to aliens not eligible to citizenship. Strongly Oppose Bill.

Tokio, April 16.—The leading newspapers of Tokio, the Asahi, the Kokumin Shinbun, and the Jiji Shimpo, which are usually conservative, have assumed an extremist attitude on the projected alien land ownership legislation in California.

Delegations representing various bodies are calling on the secretary of the American embassy, Arthur Bailly-Blanchard, almost hourly in an endeavor to bring about an amendment of the proposed measure. All American firms in Japan strongly oppose the bill.

## CHARGES NOT SUSTAINED

Albany, N. Y., April 15.—The senate tonight decided that the charges of attempted extortion preferred against Senator Stilwell by George H. Kendall, president of the New York Bank Note company, were not sustained.

## ELECTIONS HELD IN MANY ILLINOIS CITIES

**"DRYS" GENERALLY WIN IN CENTRAL AND SOUTHERN SECTIONS**

Notable Exceptions Were Litchfield, DuQuoin and Detroit—Greenville Elects Anti-Saloon Ticket.

EAST ST. LOUIS, ILL., APRIL 15.—Scattering returns from today's municipal elections in Central and Southern Illinois indicate the "drys" generally won where the liquor question was the principal issue. Notable exceptions were Litchfield, where David Davis Jr., a Republican was elected mayor over his Democratic opponent by 833 votes, although the town voted "wet" by a majority of 63 DuQuoin, where Mayor Ernest E. Jacobs and the People's Ticket was elected by about 500; Detroit which went wet by 15 votes and Pocahtonas which voted wet by a majority of 17.

Greenville elected an anti-saloon ticket headed by A. M. Kieth for mayor. At many other places the Citizens' candidate, generally representing the dry faction, were successful. At Salem, R. D. Wyatt, Citizens' candidate for mayor, was elected over Dodge Burns, Socialist, by 312 votes. The successful Citizens' candidate for mayor in Mount Sterling was T. E. Croxton (Incumbent). Effingham elected an entire Democratic administration headed by Joan Shea.

At Cairo and Murphysboro which held their first elections under the commission form of government, Walter H. Wood and J. H. Davis, respectively, were chosen mayor. Frank Fullen, Democrat was elected mayor of Centralia over Dr. W. D. Richardson, Republican, by a majority of about 400.

## "Wets" Carry Mattoon.

MATTOON, ILL., APRIL 15.—The "wets" carried Mattoon to day by a vote of 1,542 to 856.

## "Dry" Mayor Chosen.

ROCKFORD, ILL., APRIL 15.—Rockford re-elected Mayor W. W. Bennett to day. Socialists elected two aldermen.

Mayor Bennett made his campaign on a "dry" ticket. Sunday moving picture shows were endorsed.

## Will Contest Chatham Results.

SPRINGFIELD, ILL., APRIL 15.—Charles Moore was to day re-elected president of the village of Chatham by three votes over U. G. Hutton who will contest and seek to have the entire election nullified because of failure to put a circle opposite each party appellation on the ballot.

## Elects Independent Mayor.

TAYLORVILLE, ILL., APRIL 15.—Walter Provine, prominent Republican member of the Illinois legislature, was to day elected independent mayor of Taylorville over Zura Cruthers by 76 votes.

## Pana Has Democrat Mayor.

PANA, ILL., APRIL 15.—A. P. Gorman, Democrat, was to day elected mayor over Julius Broehl, Republican by four hundred votes.

## Defeats Commission Form.

SPRINGFIELD, ILL., APRIL 15.—Petersburg to day defeated commission form of municipal government by a majority of one hundred.

## Bradshaw, Carrollton's Mayor.

CARROLLTON, ILL., APRIL 15.—Charles Bradshaw was to day elected mayor over G. H. Price by thirty six votes.

## Good Government Mayor Chosen.

KANKAKEE, ILL., APRIL 15.—David Lavery, good government candidate was elected mayor in the election here to day. Lavery was supported by the Republicans and won by a majority of 313 from B. W. Alpinier, Progressive the incumbent.

The entire good government ticket was elected except city treasurer.

## Zionists Church Party Triumphed.

ZION CITY, ILL., APRIL 15.—The Zionists Church party triumphed in the city election here today, securing the mayor and two aldermen besides other officers. The Theocratic party, as it is known, thus obtains control of the Zion City council, for some time in the hands of the Independents. An immediate consequence of the election is promised in the appointment of A. Walker, body guard of Overseer of Zion Voliva, to be chief of police. W. H. Clendinen, general manager of Zion Institutions, was elected mayor by a majority of six.

Independents have three aldermen and the Zionists now having three, the mayor has the casting vote.

## Wood Defeats Cronin.

JOLIET, ILL., APRIL 15.—Harvey Wood was elected mayor here today by four hundred majority over John Cronin, Democrat, and twice mayor. More than eight thousand votes were cast.

## Warren Remains "Wet."

GALENA, ILL., APRIL 15.—J. W. Westwick was elected mayor at the election here today. A. M. Smith was elected mayor at Stockton, Ill., Harry C. Tear at Warren and John Convy at Elizabeth.

Warren voted to remain "wet." Republicans Chose in Paris.

PARIS, ILL., APRIL 15.—Dr. Z. T. Baum, Republican, was elected mayor today. The Republicans also elected city clerk and two aldermen.

Democrats elected city attorney, city treasurer and two aldermen while the Progressives got on alderman.

## Entire Republican Ticket Elected.

DANVILLE, ILL., APRIL 15.—Mayor William C. Lewman, Republican, representing the open town element, was re-elected today, by 977 plurality over Louis Platt, Democrat.

The entire Republican ticket was elected, but the political complexion

## WILL RECOMMEND PUBLIC UTILITY BODY

**Commission Appointed Two Years Ago Will Report to Assembly Today**

## DAILEY TO PRESENT BILL

**Measure Provides for Commission to Have Charge of All Illinois Public Utilities**

## DIFFERS FROM DUNNE BILL

SPRINGFIELD, APRIL 15.—A public utility commission to have charge of all the public service corporations of the state will be recommended to the general assembly tomorrow by the public utility commission created by the legislature two years ago to investigate and report on the subject. At the same time there will be laid before the assembly the report embodying the ideas of the legislative commission on this subject. The report of the committee, together with its bill, will be presented in the senate by Senator Dailey of Peoria, chairman of the committee, and in the house probably by Representative William Holaday of Danville, one of the committee members.

## Differs From Dunne's Bill.

The bill drafted by the legislative committee differs materially from the bill that will be introduced as the administration measure which bears the approval of Governor Dunne. The governor's bill is designed to apply only to cities of less than 25,000 population until the larger cities of the state shall elect to pass under the provisions of the public utility act.

The Dailey bill provides for a single commission for the entire state to pass under its provisions. Without mentioning the bill that bears the stamp of administration approval the Dailey bill discusses the California plan upon which the governor's bill was drafted. The committee is unfavorable to that law and believes that under the system it provides it is likely a condition of chaos will arise, and it would be unsatisfactory.

## Provides For Five Members.

As is the case with Governor Dunne's bill, the Dailey bill creates a commission of five members to be appointed by the governor. Under the provisions of this measure, the five appointments are to be temporary until the next general assembly convenes, when they are to be made permanent with confirmation by the senate for one, two, three, four and five years, so that thereafter one member's term shall expire each year.

While a single commission is provided for in the Dailey bill, it is drafted so that in event the assemblymen see fit to establish a commission for the city of Chicago, the chance can be made without interference with the other provisions of the measure. The salary of members of the commission is fixed at \$10,000 a year and the commission's attorney at \$7,500 a year.

The measure also provides for public ownership on a valuation fixed by the state commission.

## EXACT NUMBER OF IDLE MEN IS UNKNOWN.

Brussels, April 15.—Out of the mass of contradictory and incomplete figures, it is impossible tonight to more than approximate the total number of workmen who have joined in the strike throughout Belgium for manhood suffrage. Independent estimates place the number between 250,000 and 300,000, although the socialist who are responsible for the movement claim 400,000.

## LEVEE BREAKS IN THREE PLACES

Memphis, Tenn., April 15.—The Lacona Circle, (Ark.) levee near the mouth of the White river and south of Helena, broke in three places tonight. Wire communication with the territory affected has been interrupted. The Lacona levee is a privately owned dike and protects about 18,000 acres of rich farming lands. Encouraging reports were received from other points along the levee tonight.

## WEATHER INDICATIONS AND TEMPERATURES.

Washington, April 15.—For Illinois—Fair and warmer Wednesday; Thursday probably fair, light variable winds, becoming moderate southerly.

## Temperatures.

Chicago, April 15.—Current, maximum and minimum temperatures today were:

	Current.	High.	Low.
Boston	42	48	44
Buffalo	52	60	52
New York	50	54	48
New Orleans	68	74	52

Overland Model 71 F

### The New Cowl Dash Car

One of our most popular 1913 models is our Cowl dash touring car. This is one of the season's "six best sellers." Wherever it has been shown it has met with immediate approval. The graceful Cowl adds a touch of completeness and finish to the body, which distinguishes and separates it from the average run of cars.

Our allotment of Cowl dash touring cars is very limited. We would advise you to have an immediate demonstration so that if you do not want your car at once, you can book your order for delivery when you are ready for it.

This, like all Overland cars, costs you 30 per cent less than any other car manufactured. If we built less than 40,000 cars a year, this model would cost you just that much more.

A Call Will Be Appreciated.

## MANY VILLAGE ELECTIONS HELD

CONTESTS CLOSE IN SEVERAL  
ADJOINING TOWNS.

Berger Wins Over Estes For President at Meredosia by One Vote—  
South Jacksonville Officers—  
Bluffs Remains in Local Option Territory.

Village elections were held in nearly every town in this community yesterday, including South Jacksonville. In many places the contests were spirited as is indicated by the close vote. Especially was this true in Meredosia, where John G. Berger, candidate on the Citizens' ticket for president, defeated Dr. R. L. Estes on the Progressive ticket by one vote. Bluffs was the only town which had the local option question up and the citizens voted to keep the place "dry." Dr. W. D. Rees defeating Henry Rolf by 39 votes. The election at Franklin was the occasion of a full and close vote, William Whalen defeating Lewis Roberts for president by three votes.

### South Jacksonville.

The election passed off very quietly Tuesday in South Jacksonville, there being but one ticket in the field. Thirty-eight votes were cast all together. Herman Weber is the retiring president and expects to spend several months this summer in Germany, his birthplace. The following was the vote.

For President—  
J. H. Hackett, 38.  
Trustees—  
William Hembrough (re-elected), 36.

O. B. Heintz (re-elected), 33.  
Grant Graff (new), 33.

Written on ticket for trustee—J. R. Godfrey, 5 votes.  
Police Magistrate—  
Stephen T. Gorman, 20.  
J. R. Mawson, 5.  
S. P. Jones, 1.

### Franklin Election.

The interest in the election at Franklin was keen and a good strong vote was polled. William Whalen on the Democratic ticket defeated Lewis Roberts on the Citizens' ticket by three votes. There was no special question at stake. The vote stood as follows:

President—  
William Whalen ..... 100  
Trustees—  
L. J. Massey ..... 88  
W. C. Hart ..... 100  
Elmer A. Roberts ..... 82

### Citizens' Ticket.

President—  
Lewis Roberts ..... 97  
Trustees—  
J. O. Rollston ..... 107  
S. T. Miller ..... 103  
A. J. Tranberger ..... 111

### Woodson Election.

The following was the result of the election at Woodson, this being the off year for president:

People's Ticket.  
Trustees (two years)—  
S. A. D. Riggs ..... 37  
H. S. De Long ..... 36  
Steven Shelton ..... 30

Trustee (one year)—  
Allen G. Russell ..... 32

### Citizens' Ticket.

Trustees (two years)—  
William Colton ..... 27  
Edward Bradley ..... 22  
R. R. Jones ..... 28  
R. D. Megginson ..... 25  
Wilbert Fitzsimmons was elected village clerk for two years, receiving 32 votes.

## Free Demonstration of Armour's Grape Juice

You are cordially invited to call at our store and meet Miss Rundell, who is demonstrating ARMOUR'S GRAPE JUICE. Miss Rundell will serve you with a sample glass of the delicious beverage and will tell you some interesting facts about the methods of making it. A souvenir booklet, "Grape Juice and Its Uses," will also interest you.

The great Armour Grape Juice factory is located at Mattawan, Mich., and it is a model for its equipment and sanitary conditions.

The uses of grape juice are more numerous as time passes along and it will not be many days until it will be known as "The Great American Beverage."

Armour's Grape Juice has an individual quality and flavor. It is made from the choicest of grapes grown in Michigan, a locality where the fruit attains the very highest quality. Armour's Grape Juice aids digestion and increases appetite. It is the most delicious of beverages and we want to prove the statement.

YOU ARE INVITED TO TAKE A GLASS OF GRAPE JUICE WITH US.

## PROGRESSIVES WILL HOLD STATE CONFERENCE

Gathering is to be held in Springfield, Ill., April 28 and 29.

From Progressive Publicity Bureau. Springfield, Ill., April 14.—Plans and preparations for the state-wide conference of Progressives to be held in this city Monday and Tuesday, April 28 and 29 are being rapidly perfected. From present indications the attendance will not only be large, but representative of the entire state. The state central committee, the chairman of all county committees, and a great number of Progressive workers from every section of Illinois are expected to be present. Among the Progressive leaders within and without the state who probably will attend are ex-Senator Albert J. Beveridge, of Indiana; ex-Governor Stubbs, of Kansas; Congressman Hinebaugh, of Illinois; and Victor Murdock, of Kansas, the chieftain of the Bull Moose forces in the national house of representatives. These gentlemen will address the conference and join in the general discussion which is to be a leading feature of the assembly.

A GOOD BEGINNING.

Yesterday the voters of Jacksonville by a scant majority defeated the proposed bond issue to give this city good lights. The agitation which has surrounded the whole subject has awakened this old town of ours to realize that we need our streets better lighted but as yet there is too wide divergence of opinion on the best plan to proceed. We need further education so that we as the citizens of one of the best cities of fair Illinois will not squabble over a few cents or dollars that we must eventually spend.

Individually I believe in our city commissioners and I have felt that their proposal was done an injustice because of the clouding of the real issue by irrelevant discussion. We have made the great mistake of letting personalities sway us.

I am very optimistic concerning the outcome and I for one am determined to fight all the harder for some of our most needed improvements. Spirit and sentiment has changed wonderfully during the last week and Jacksonville is beginning to catch the first breath of a get-together air.

The city commissioners, the business men and the members of the Young Men Booster's Club have taken each other into their confidence and have been laying plans for greater accomplishments.

Let us forget our petty differences and reform from criticizing the men who have opposed or endorsed the proposition. I hope that another mass meeting of all the business interests will be held at some early date and decide on some plan for procedure which will be agreeable to all.

Some of the worst knockers are now good boosters and all that is needed is that we stand together. We're a good town and if you believe in it you can convert others. Let "Good Lights" be our slogan.

Paul B. Fritchey, Sec., Chamber of Commerce

## ARMISTICE BETWEEN TURKEY AND BULGARIA APPEARS CERTAIN

According to St. Petersburg Advice Armistice Will Be Result of Russian Mediation.

London, April 15.—The news of the actual conclusion of an armistice between Turkey and Bulgaria appears to be premature, but there is little doubt that it is on the eve of arrangement. First reports regarding the armistice came from Constantinople and the Russian government is in receipt of similar news. According to reports current in St. Petersburg, the armistice will be the result of Russian mediation. In diplomatic circles in London the view is held that the peace conference will shortly re-assemble in the British capital. A Constantinople despatch admits the existence of some sort of truce as a precursor of an armistice.

Rejects Pecuniary Compensation.

Gettine, April 15.—The government has notified its representatives abroad that Montenegro rejects pecuniary compensation for Scutari, and will only yield to overwhelming force.

Announces Terms Are Acceptable.

London, April 15.—The Bulgarian government according to a Sofia despatch to the Post has notified the other governments of the Balkan league that the terms of the latest note of the great powers are acceptable to Bulgaria and asks the allies to assent promptly to the conclusion of peace. It is probable, adds the despatch that an armistice will be arranged this week.

Resigned State Factory Inspector has Reconsidered His Resignation—Will Attempt to Again Assume Control.

Chicago, April 15.—Edgar T. Davies, who resigned as state factory inspector April 10th, by request of Governor Dunne, to day "re-considered" his resignation by appearing at his former offices and announcing to the force that he was still chief. A novel contest ensued in which the former inspector issued orders which were immediately countermanded by Samuel Cohen, the new acting incumbent appointed by the governor.

My resignation was procured from me under duress and without my having proper time to consider it," said Davies. "I have legal advice that it has no effect and that I may still retain my position."

Cohen replied that anyone obeying the orders of Davies would be "fired." Davies was cut off from the telephone communication at the switchboard and visited with other discouragement in his attempt to retain control of the office.

TRAFFIC IN INFANTS IS DISCOVERED IN CHICAGO

Superintendents of Several Maternity Homes Will Testify Before Commission.

Chicago, April 15.—Traffic in infants was discovered today by a committee of the Illinois house of representatives investigating the care of children at charitable institutions. The representatives visited several maternity homes preliminary to a session on Friday when the superintendents of these places will testify.

They will be asked about alleged contracts which mothers are requested to sign in order to obtain medical treatment. In these contracts the mothers are said to sing away their rights to their babies before birth.

Members of the committee today questioned Dr. S. D. Rogers, head of the national maternity hospital regarding arrangements made with a mother who wishes her child to be taken care of.

"We charge her \$25 to \$50 to dispose of the infant," he said.

## The Art of Correct Dress

## Have You Seen the New Bulgarian Silks?

To be correctly dressed this season you must give more than ordinary consideration to the embellishments of your costume. Trimmings are gorgeous, in both design and colorings, the latest accepted whim being the Bulgarian Silks. These silks come in such quaint styles and lend so charming a contrast to any dress material as to make them especially desirable.

Buttons are also given a prominent place as an embellishment, and in this article we are prepared to show you some unusually effective styles. The crystal button is one of the new ones, and when you see what a touch of smartness it imparts to the dress you will little wonder at its popularity.

The most effective usage of these  
new style features are found  
in Pictorial Review Fashions

The above illustration depicts a classical array of the celebrated Pictorial Review styles. Each week the demand for these patterns increases. They supply a long-felt want.

## The Advantages of a Trust Company As Executor, Administrator, Guardian, Conservator, Trustee, Etc.

It is absolutely responsible. Its large capital guarantees its fidelity. It is practically perpetual. It combines the brains, the capital, the experience and the judgment of many men of proven financial ability. It has the impersonal but dependable honesty inherent in a banking institution that is hedged about by stringent laws, and whose financial statements are frequently given the public. It must observe all of the special laws enacted for the safety of trusts.

It brings to the settlement of each estate entrusted to its care, able legal counsel, conservative business judgment, familiarity with all legal requirements and a thorough system for clerical details. It is in position to make every estate realize the utmost possible amount for beneficiaries, at the lowest cost.

The permanency, responsibility and the special facilities and resources of a trust company make it an ideal agent.

Its charges are the usual fees, and if desired can be agreed upon in advance.

The Farmers State Bank and Trust Company will draw wills free of charge, if it is named executor. If you desire your attorney to draw your will have him do so and provide that he shall attend to all legal matters relating thereto.

of the repeal of the Oliver rating law  
by the last legislature.

NON-UNION WORKMAN

CHICAGO, APRIL 15.—The "wreck-  
ing crew" methods which marked  
labor troubles in this city two years  
ago have been revived in the recent-  
ly declared strike of union painters  
and decorators, according to police  
officers who investigated an assault  
late today upon Jacob Engerman, a  
non-union painter.

Engerman told the police he was  
called from a building at East Fifty-  
fourth and Jackson avenue, where he  
was working, and asked by two men  
to show his union card. When he  
replied that he had none he was  
knocked down and kicked, suffering  
a broken nose and deep gashes on  
his head and face. His assailants  
ran a block west to Cottage Grove  
avenue, where they jumped into a  
waiting automobile and were driven  
rapidly through Washington park.

Cured of Chronic Constipation.

"For twenty-one years I suffered  
with chronic constipation," says C.  
W. Robinson, of Cordova, S. C. "In  
May, 1908, it had assumed a more  
serious form, resulting in indiges-  
tion, piles and neurasthenia. Life  
seemed a burden to me. Two famous  
physicians and one specialist with all  
their drastic drugs failed to help me.  
A friend advised me to give Cham-  
berlain's Tablets a trial, which I did,  
and am pleased to say two bottles  
of them cured me." For sale by all  
dealers.

SEVEN THOUSAND IDLE.

Manchester, N. H., April 15.—De-  
pression of trade, due to the recent  
disastrous floods in the middle west  
is given by the McElwain Shoe com-  
pany as its reason for temporarily  
closing its factories in this city to-  
day. Several thousand operatives  
will be idle.

FIRE UNDER CONTROL.

Tiptonville, Tenn., April 16.—Fire  
which was discovered shortly after  
midnight in the Arnett building par-  
tially destroyed that building and  
several nearby residences before it  
was brought under control at 2  
o'clock this morning. For a time the  
business part of town was threaten-  
ed with destruction.

## TITANIC DISASTER ANNIVERSARY

Great White Star Liner Went Down a Year Ago Yesterday.

New York, April 15.—One year ago today, in the cold, gray dawn of the morning of April 15, the White Star liner Titanic, the largest vessel in the world, foundered in mid-ocean after striking an iceberg. More than fifteen hundred lives were lost in the disaster, which was the greatest of its kind in the world's history.

The Titanic was bound for New York when she met her fate and a large number of New Yorkers were among the victims of the disaster. The memory of these victims was honored today in impressive memorial services held in various churches in this city. One of the most interesting of these services was held in the lower east side in memory of Mr. and Mrs. Isidor Straus, whose deeds of charity and philanthropy, as well as the heroism of their deaths, will live in the memories of residents of that section of the city.

The Titanic sailed from Southampton, on April 10, on her maiden trip to New York in command of Captain E. J. Smith, with a crew of 860 men and 1,324 passengers. She had been hailed far and wide as "the unsinkable ship" with watertight compartments which would stand her in good stead in any emergency.

On the night of Sunday, April 14, in latitude 41°16' north and longitude 50°14' west the great liner, steaming along under a star decked sky, struck the submerged spur of an iceberg, which ripped a seam in her side below the water line.

There were no fears among the passengers at first that the Titanic would not survive her injuries, but as the water streamed into the hold, filling the compartments, Capt. Smith and his crew realized the worst and manned the life boats. Men lifted their wives into small boats and sent them adrift on a sea of ice, remaining on deck awaiting the sinking of the ship. All told 704 persons got off in the boats, which it was later determined had a sufficient capacity to have accommodated 1,176. These were rescued by the steamship Carpathia.

The Titanic went down early on the morning of April 15. Tales told by the rescued of the heroism of many who went to their death are still fresh in the minds of men. But none was more splendid than that of the ship's musicians as the "unsinkable ship" was sinking in giving solace to the dying by playing "Nearer, My God, to Thee."

As the result of a senatorial investigation into the accident blame was placed on Captain Smith for failing to heed warnings that icebergs lay ahead, and the British board of trade was censured for lax regulations and improper inspection.

Among the more prominent men who were lost with the big ship were Colonel John Jacob Astor, Isidor Straus, Major Archibald Butt, personal aid to President Taft; F. D. Millet, artist; Jacques Futelle, novelist; G. B. Widener, of Philadelphia; Henry B. Harris, theatrical manager and William T. Stead, the famous journalist.

## RAILROAD OFFICIAL TO BE TRIED

Indianapolis, Ind., April 15.—R. B. White, division superintendent of the Chicago, Hamilton and Dayton railroad company, is to be tried in the criminal court here this week on a charge of involuntary manslaughter. The charge is the result of the C. H. & D. wreck in Irvington last November, which cost sixteen lives. Several of the higher officials of the company have been indicted and it is expected the White case will determine whether these indictments will "stick." The indictments against the officials were drawn on the theory that the officials had failed to comply with the law providing for the installation of a block signal system approved by the railroad commission of Indiana. It later developed that the railroad commission had given the company until January 1, 1913, to install the block system.

## QUICK RELIEF

**FOR RHEUMATISM.**  
George W. Koon, Lawton, Mich., says: "Dr. Detchon's Relief for Rheumatism has given my wife wonderful benefit for rheumatism. She could not lift hand or foot, had to be lifted for two months. She began to use of the remedy and improved rapidly. On Monday she could not move and on Wednesday she got up, dressed herself and walked out for breakfast." Sold by L. P. Alcott, druggist.

## ALABAMA SUNDAY SCHOOL LAW

Huntsville, Ala., April 15.—With Sunday school workers present from all over the state, the annual convention of the Alabama Sunday School association met in this city today. The sessions will continue three days, during which time every phase of Sunday school work will be taken up and discussed by such well known experts as W. C. Pearce of Chicago, one of the foremost leaders of the international organization, and Dr. A. L. Phillips of Richmond, Va., general superintendent of Sabbath school and young people's work of the Presbyterian church.

## CHILDREN'S FLOWER SEEDS.

Congressman Rainey has sent me 300 packages of flower seeds for the children who use the Independence avenue play grounds. He has also sent ten dollars for prizes for the best display of flowers grown by children under eighteen either from the seeds he furnishes or from any other seeds. The prize show will be held at the play grounds sometime during the summer.

As long as the supply of seeds sent by Congressman Rainey lasts, I will give each child who uses the play grounds and calls for it, a package of flower seeds containing five varieties.  
Frank J. Heintz,  
Pres. Play Grounds Ass'n.

## YOUNG MAN FACES TRIAL FOR MURDER

N. B. McCleary Must Answer Charge of Choking to Death Mother of His Former Sweetheart.

Rockville, Md., April 15.—What promises to be one of the most notable criminal trials that has taken place here in a long time was begun this morning, when Norman Bruce McCleary was arraigned in court to be tried for the alleged murder of Mrs. Nannie B. Henry of Hagerstown, mother of his former sweetheart, Miss Lupah Henry. The case was brought here on change of venue from Washington county.

Mrs. Henry was choked to death about the fifteenth day of last August, and several days later her body was found lying across a bed in her home at Hagerstown. At the request of the Hagerstown authorities McCleary, a young man of good family, but a "little wild," was arrested in Washington, D. C., two days after the discovery of the murder.

McCleary is said to have been a suitor for the hand of Miss Lupah Henry, daughter of the murdered woman and a stenographer in the office of the Hagerstown municipal electric light plant. Miss Henry, it is said, did not look upon him with favor, and August 15 left Hagerstown on a vacation and in order to escape the alleged unwelcome attentions of McCleary.

It is understood that the accused young man intends to maintain that he is guiltless of the crime charged against him, notwithstanding that he is said to have signed a confession drawn up by the state's attorney a few days after his arrest, in which he admitted that he had choked Mrs. Henry. Two of the leading law firms of Hagerstown and Rockville have been engaged to conduct the defense.

## WORKING ON LEVEES.

Mississippi land owners who live in Jacksonville will be interested in the following dispatch from Memphis, concerning flood conditions:

"Weak sections of levees three miles south of Rosedale and at a point near Greenville, on the Mississippi side of the river and at Modoc and Oldtown, on the Arkansas side, were sources of anxiety for the flood fighters today.

"Large forces are working at all threatened points and it was believed by the government and state levee officials that the dikes would be made safe against the flood. At Memphis this morning the river gauge showed 43.5, a fall of 3-10ths in the past twenty-four hours. Helena was stationary at 53.8 and Vicksburg showed 49.2, a rise of 6-10ths.

"According to Forecaster Emery, the flood waters from breaks on the Arkansas side will begin to return to the Mississippi river through the St. Francis about tomorrow. He predicts a maximum stage of 55 feet at Helena within the next few days.

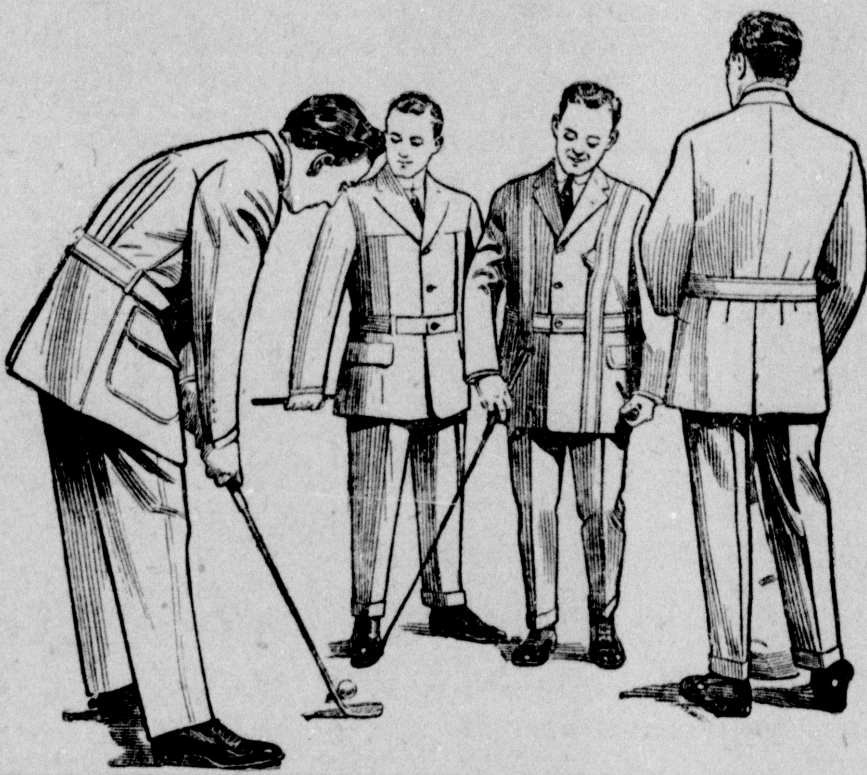

"Reports to the United States engineers at Memphis, state that the levees south of Helena are being built up to a plane to stand 56 feet on the Helena gauge.

"Major Normoyle, in charge of the government relief work, will leave today for Vicksburg, where the next relief camp will be established. Twenty-five thousand rations were sent out today for distribution in the flooded sections of Arkansas."

## IMMIGRATION INSPECTOR.

Marion Folsom, of Kansas City was in Jacksonville Tuesday. Mr. Folsom is an inspector in the United States immigration service, and was in the city in pursuance of his duties in looking after the condition and welfare of aliens who are attendants as well as those who are patients in the eleemosynary institutions in the city.

Mrs. Thomas Titus attended the funeral of W. C. Self Friday in Jacksonville.

The sad intelligence has been received this Tuesday morning of the death of Mrs. Harvey Halley at Our Saviour's hospital, to the regret of the many warm friends of the estimable family.

Mrs. Halley was taken to the hospital for treatment several days ago, to be where she could be more comfortably and skillfully cared for than in the home and was sojourning about going in the hopes of regaining at least in a measure her health but such was not to be. At the time of mailing this notice the funeral arrangements have not been completed.

Mrs. Warren Blinling returned Monday from a visit to her grandfather at Franklin, who is quite seriously ill.

Mrs. Elizabeth Crouse has been representing Mrs. Beerup at Franklin in the millinery business.

Mr. and Mrs. Hieronymus of Winchester were in Concord Friday, going to Jacksonville to visit their daughter, Mrs. M. Cleary.

Mrs. Vera Ball Harmon of St. Louis is at home for a visit.

Mrs. George S. Lewis and brother, Monroes Leonard, attended the funeral of their friend, Mrs. Ellen McClure, of Beards town.

Mrs. Kathryn Rink of Beards town spent Thursday afternoon in Concord.

Mrs. Francis Chumley, Miss Deercup, principal of the Winchester high school, and Miss Gibbs of Winchester were in Concord Saturday.

Mr. and Mrs. A. B. Cratz spent Sunday in Chapin.

Mr. and Mrs. James Rexroat spent Friday in Jacksonville.

Lloyd Smith spent Thursday night in Beards town.

Mrs. Alice Hamm royally entertained the Ladies' Aid of the M. P. church at her home Thursday afternoon, being assisted by her daughters, Mrs. Charles Moss and Miss Marie; by Mrs. Hamm's nephew, Lloyd Smith, and others of her many friends. The thirty some guests reported a most enjoyable and profitable meeting.

Mrs. Mecca Yeck went to Beards town recently on business for the M. E. church aid, of which she is the able president.

Mrs. Anna Pfalscroft of Arenzville spent Monday afternoon with her mother, Mrs. Arch McConnell.

The W. F. M. S. of the M. E. church held a most profitable meeting with Mrs. Kathryn Wenger as the gracious hostess. Those who have participated in the hospitality dispersed by this estimable lady need no comment on the collation served at the close of the usual interesting program.

Misses Edna Filson and Eva Gaddis spent Thursday afternoon in Jacksonville.

Mrs. Ormsby Dawson of Winchester was in Concord Thursday, returning from nursing her mother, Mrs. Kastrup of Jacksonville, who is seriously ill.

On Wednesday afternoon, April 9, Class No. 4, The King's Daughters, of the Christian church Sunday school, gave a farewell social in honor of Miss Nellie Buchanan, a much loved member of the class, who will leave for her home near Chambersburg, Ill., in the near future. This function was held at the large and beautiful home of Mrs. B. A. Kratz, who is the teacher of the class. Both the reception hall and parlor were artistically decorated with class colors, purple and white. Games and various amusements were indulged in to the amusement of all present. The prize for the pin contest was awarded to Mrs. Roy Abernathy and Alma Deterding. At 4 o'clock Mrs. Kratz served her guests with fruit salad and cream, cake, cocoa and home made candy. She was assisted by Bertha Bayless, Olive Morrison and Lena Beas. Later a picture was taken of the group. Farewells were then given to Miss Buchanan, who has been the class president for the past year, wishing her success and happiness in her new home. All departed for their homes thanking Mrs. Kratz for her hospitality and voting her a very charming hostess. Those present were Mesdames Ella Abernathy, Grace Ator, Nellie Newton, Effie Plank, Olive Morrison, Lena Beas, Bertha Bayless, Ina Abernathy, Nora Kratz and Misses Adelia Bayless, Alma Deterding, Nellie Buchanan and Eva Ernest Sanders, one of our progressive young farmers, was a Jacksonville visitor Tuesday morning.

## IMPORTANT SUIT COMES UP.

Chicago, Ill., April 15.—The injunction suit of the government against the sanitary district of Chicago, involving the pumping of water from Lake Michigan, was called for trial in the federal court here today. The petition of the federal authorities has been pending for several years and has been waiting the decision of the war department recently rendered which denied the application of the sanitary board to pump an additional 10,000 cubic feet of water per second from the lake. Canada as well as a number of the states are directly interested in the outcome of the suit, owing to the allegation that any additional pumping would result in a lowering of the levels of the great lakes and thereby interfere with shipping.

## TEXAS-OKLAHOMA LEAGUE OPENS.

Sherman, Texas, April 15.—The reorganized Texas-Oklahoma baseball league started its season today under conditions that promise a successful year and an interesting race for the pennant. In the initial contests Ardmore played at Durant, Denison at Wichita Falls, Tarkenton at Botham and Paris at Sherman. The schedule calls for a season of 108 games, closing August 1.

## Comparative Digestibility of Food

Made with different Baking Powders

From a Series of Elaborate Chemical Tests:

An equal quantity of bread (biscuit) was made with each of three different kinds of baking powder—cream of tartar, phosphate, and alum—and submitted separately to the action of the digestive fluid, each for the same length of time.

The relative percentage of the food digested is shown as follows:

Bread made with  
Royal Cream of Tartar Powder:

100 Per Cent. Digested

Bread made with  
phosphate powder:

68 1/4 Per Cent. Digested

Bread made with  
alum powder:

67 3/4 Per Cent. Digested

These tests, which are absolutely reliable and unprejudiced, make plain a fact of great importance to everyone: Food raised with Royal, a cream of tartar Baking Powder, is shown to be entirely digestible, while the alum and phosphate powders are found to largely retard the digestion of the food made from them.

Undigested food is not only wasted food, but it is the source of very many bodily ailments.

# FACE COVERED WITH PIMPLES

Red and Irritated. Pimples Festered. Itched and Burned. Used Cuticura Soap and Ointment About 3 Weeks. Was Completely Cured.

1613 Dayton St., Chicago, Ill.—"My face was very red and irritated and was covered with pimples. The pimples festered and came to a head. They itched and burned and when I scratched them became sore. I tried soaps and they would not stop the itching and burning of the skin. This lasted for a month or more. At last I tried Cuticura Ointment and Soap. They took out the burning and itching of the skin soothing it very much and giving the relief that the others failed to give me. I used the Cuticura Soap and Ointment about three weeks and was completely cured." (Signed) Miss Clara Mueller, Mar. 16, 1912.

## BURNING AND ITCHING

Day and Night. Eczema in Form of Rash. Moores Hill, Ind.—"My little daughter had a burning and itching sensation day and night. The eczema was in the form of a rash. It began first in patches on her face and under her arms, and then on her hands. We were very much alarmed about her as it was spreading so rapidly. We used Cuticura Soap and Ointment about one month and they cured my little daughter of eczema. Her skin is as smooth as could be and she is in fine health." (Signed) Mrs. Lizzie Root, Jan. 27, 1912.

Cuticura Soap and Cuticura Ointment are sold throughout the world. Liberal sample of each mailed free, with 22-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

### TO DISCUSS RURAL LIFE IN SOUTH

Richmond, Va., April 15.—How to make rural life popular will be the greatest problem discussed by the Sixteenth Conference for Education in the South, which will meet here tomorrow and continue in session until the end of the week. A series of side conferences for the consideration of separate phases of the general topic will be held in connection with the main conference. Farmers from all parts of the South will meet to discuss the best means of marketing farm produce. Representative business men of the South will take up the question of aid to agricultural development. A conference of editors will be held to plan for concerted press action and other conferences will discuss plans to make rural life more enjoyable through the medium of the country churches, the schools and social centers.

The Conference for Education in the South is not a teachers' association for the discussion of the technique of the schoolroom nor is it a mere business or industrial conference. It is a coming together of the representatives of all classes who have at heart the welfare of the country, and who believe that the largest factor in the production of this welfare of the country, and who believe that the largest factor in the production of this welfare is the right education of all the people for the duties and responsibilities of industrial, civic, social, and religious life. The conference was organized in a very simple and informal way at Capon Springs in 1898, and held its first three meetings there. Its larger activities began with the Winston-Salem meeting in 1901. Since then annual meetings have been held with increased interest and attendance at Athens, Ga., Columbia, S. C., Birmingham, Lexington, Pinehurst, Atlanta, Jacksonville and several other leading cities of the south.

### NORTHWESTERN LEAGUE GETS AWAY

Seattle, Wash., April 15.—The Northwestern league, one of the oldest and most successful of the baseball organizations west of the Rockies, started the season of 1913 to day. Vancouver opened at Tacoma, Portland at Spokane and Victoria in Seattle. September 28 is the date fixed for the finish of the pennant race.

### GOSSIP OF THE GAME

Great win, that of Chance's Yankees over the Red Sox. Look up Chance's record in the box score. Reads like that of a real player. Frank L. Chance will yet bring that bunch into the first division. This youngster Keating is going to develop into a star or we miss our guess.

Sweeney is not yet in form judging from the stolen bases registered against him. But it was Speaker and Gardner who did the pilfering and it takes sure fire to turn them back.

As long as Sterret keeps up his present form Chance will no doubt stick to the bench.

Wonder what's wrong with Stahl? He'll have to get back in the line-up pretty soon. The team does not play its even game without his inspiring leadership. Which opens up the old question of the superiority of a playing over a bench manager. Much depends on who the manager is. Mack and McGraw are pretty nifty leaders and both adorn the boards.

That Cub-Pittsburgh game established one record, we believe, that for the number of men used in a game. Evers called out nineteen of his men yesterday to put the game on ice, and it was accomplished by the reserves, Good and Miller. Now that Archer and Saler have resumed their regular positions the Cubs should go a bit better.

Phelan, who played second for the Cubs after Evers retired, was formerly with Kewanee, Cincinnati had him last year. He figured in the Tinker deal, so that's how he comes to be with the Cubs this year. He's a valuable man to have around as sub for Johnny.

The Cubs are certainly well supplied with second string men. If some of the regulars don't look out there will be some switching about pretty soon. Especially does it look as if Red Corriden would be a regular before long.

Poor old CinCY. Echoes of the anvil chorus can be heard even at this distance and by a deaf and dumb man at that. Larry McLean must have been in a pretty hilarious mood last night over the defeat of his old team mates. Hope he didn't fall off the wagon. This man is one of the real things when it comes to catching but his bad habits are a detriment. Maybe Huggins can keep him straight.

Tinker knows that until he gets an experienced man like Kling to bolster up his weak catching crew his efforts will avail him little. So a hurry call has been telegraphed the Kansas City man and erstwhile Cub, who is expected to respond at once. This will help some.

days yesterday and that means that he was unbeatable. It must have been a treat to see him mow down those CinCY batters after the fourth. Doesn't look as if they got the semblance of a hit off him.

Walsh showed the elements of greatness yesterday. He held St. Louis safe when a hit would mean a run. That's what Matty calls "Pitching in a Pinch" in his delightful book by that name. This book should be read by every fan. Another great one is A. G. Spaulding's "The National Game." Johnny Ever's "Touching Second" is amusing in spots. These three are about the best literature extant on the game.

Weaver is playing a great game. Perhaps the spectre of Berger on the bench ready and eager to step into his shoes if he slips has the effect of keeping Buck at top speed.

That Sox line-up in yesterday's game comes as near being an all-star team as one could wish for. Cast your eye over it and scan the fielding record. Lightning fast work all around.

Falkenberg came back with a vengeance yesterday when he shut out the slapping Tigers. Begins to look like the tail-end for the Detroit aggregation, Cobb or no Cobb. There will no doubt be something warm in the way of a shake-up as soon as Jennings reaches home. He'll hear from the fans all right.

### LYNNVILLE.

Mr. and Mrs. John Taylor have gone to Franklin today (Tuesday) to attend the funeral of George Anderson.

Mrs. Della Todd is quite sick with pneumonia.

J. S. Duckwall, Mrs. Leonard Hills and Virginia Heather are among those on the sick list.

## Stork and Cupid Cunning Plotters

Many a New Home will Have a Little Sunbeam to Brighten it.

There is usually a certain degree of dread in every woman's mind as to the probable pain, distress and danger of childbirth. But, thanks to a most remarkable remedy known as Mother's Friend, all fear is banished and the period is one of unbounded, joyful anticipation.

Mother's Friend is used externally. It is a most penetrating application, makes the muscles of the stomach and abdomen pliant so they expand easily and naturally without pain, without distress and with none of that peculiar nausea, nervousness and other symptoms that tend to weaken the prospective mother. Thus Cupid and the stork are held up to veneration; they are rated as cunning plotters to herald the coming of a little sunbeam to gladden the hearts and brighten the homes of a host of happy families.

There are thousands of women who have used Mother's Friend, and thus know from experience that it is one of our greatest contributions to healthy, happy motherhood. It is sold by all druggists at \$1.00 per bottle, and is especially recommended as a preventive of caking breasts and all other such distresses.

Write to Bradfield Regulator Co., 131 Lamar Bldg., Atlanta, Ga., for their very valuable book to expectant mothers. Get a bottle of Mother's Friend today.

There is a wealth of instruction and comfort to be derived in reading this little book. It is plainly written, just what every woman wants to know, and will be a splendid little textbook for guidance, not only for yourself, but will make you helpful to others. And, in the meantime, do not fail to get a bottle of Mother's Friend at the drug store, and thus fortify yourself against any and all pain and discomfort.

## His Holiness Pope Pius and Four Leading Figures In the Great College of Cardinals.

When the report of Pope Pius' critical illness was sent out by the Vatican recently there was an immediate revival of speculation as to who his successor would be. The question, in fact, had been kept in the foreground for some time on account of the advanced age of the venerable pope and the fact that his health has given his physicians grave concern from time to time during several months. As a matter of timely information it may be said that popes are elected by the college of cardinals, a two-thirds vote being necessary. The balloting is done secretly in the Vatican, all doors and windows being locked and sealed. Here are shown portraits of Pope Pius X, and four prominent members of the college of cardinals. The photograph in the upper left hand corner is that of Cardinal Rampolla. Below, reading from left to right, are the photographs of Cardinals S. Vannutelli, De Lai and Falconio.

## EPISCOPALIANS MEET.

Triennial Convention to Be Held in New York Next October.

For the first time in nearly a quarter of a century the general convention of the Episcopal church in this country is to be held in New York city. This will be the forty-third triennial convention. It will open on Wednesday, October 8, 1913, and will last about three weeks.

Once in every three years diocesan conventions choose four clerical deputies and four lay deputies and missionary districts choose one clerical and one lay deputy to the general convention. Upon the morning of the first day of the general convention about one hundred and ten bishops and six hundred deputies equally divided between clergymen and laymen, representing about one million communicants, will gather for service in the Cathedral of St. John the Divine. They will come from sixty-eight dioceses, twenty-three missionary districts and ten foreign jurisdictions of the church.

**Business of the Convention.**  
The convention sits as two houses, the house of bishops and the house of deputies, each having a vote upon the other. Its primary object is to make laws for the government of the Episcopal church in this country to some extent in the form of constitutional provisions, requiring action by two successive conventions, but generally in the form of resolutions adopted by each inology of ecclesiastical law known as canons.

**House of Deputies.**  
In the house of deputies there are fourteen standing committees, appointed by the president—always a clergyman—subject to the limitation that each of the eight missionary departments into which the church within the United States is distributed must be represented. Besides the fourteen standing committees there are thirty-four joint committees and commissions of the two houses sitting between conventions, eight of which were appointed to consider ecclesiastical relations and activities with other communions, religious and peoples; six to revise the church's service of prayer and praise and visitation, four to provide for the education of the clergy, four others to look after the better care and support of the clergy, one to provide for them an ultimate court of appeals, one to report upon the question of provinces, five for the church's mission of help—to the seamen, the blind, the deaf and the foreign born, and, finally, the social service commission.

**House of Bishops.**  
The house of bishops will meet in Old Synod hall, but its sessions are private. The house of clerical and lay deputies of which the sessions are public, will meet in New Synod hall, presented to the New York diocese by the late J. Pierpont Morgan and by the late W. Bayard Cutting at their joint expense. The estimated cost being \$350,000. The woman's auxiliary will meet at St. Michael's church and missionary meetings will be held in the Cathedral unless otherwise announced.

# Automobile Owners

## Of Jacksonville and Vicinity

## Our Aim is to Supply You With Everything for Your Automobile.

### Federal Tires Wear

We have the agency for Federal Tires and every auto owner with experience knows that Federal Tires are synonymous for real road service. The line of course includes casings and inner tubes.

### General Supplies

We have just received a shipment of Prest-o-Light tanks and a new line of electric horns. Whatever accessories or needs you may have we are in position to supply you.

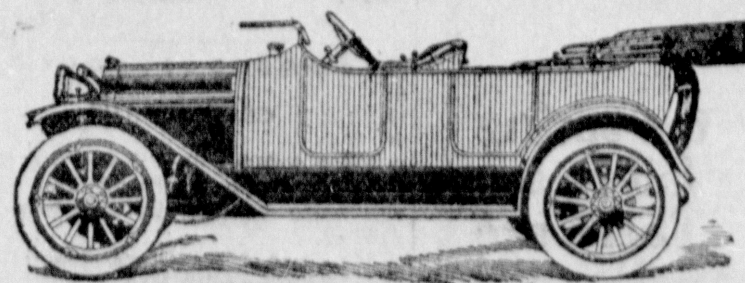

### Our Garage Complete

Our garage is now completely equipped and competent mechanics will give you careful attention. We will make a specialty of car storage and washing. The careful service that you really need for keeping your car in the pink of condition is yours to command here.

### Auto Livery Service

A new feature we are announcing in connection with our garage is an auto livery service. You can make arrangements for an auto in town or in the country, traveling with ease and certainty and at a reasonable fee.

## THE PAIGE 36: \$1275

We want you to call and let us show you the features of this really great car. It equals in equipment cars at nearly twice the price.

## THE WORLD'S LATEST FINANCIAL AND MARKET NEWS

### STOCK QUOTATIONS AGAIN SCALED DOWN

LOSSES OF 1 AND 2 POINTS SUS-  
TAINED BY LONG LIST.

Market Influenced Unfavorably by  
Further Severe Declines Among  
the Newer Industrials and Heavi-  
ness of Some Standard Investment  
Stocks.

(By Associated Press)  
New York, April 15.—Quotations  
of stocks were again scaled down to-  
day. It was a traders' market and  
traders were bearish. Losses of 1  
to 2 points were sustained by a long  
list of stocks, including such mar-  
ket leaders as Reading, Union Pacifi-  
c and Amalgamated Copper. The  
list resisted the effect of the bear  
selling for a time and then broke  
sharply. Later the market rallied,  
but still lower prices were recorded  
before the close.

The market was influenced un-  
favorably by further severe declines  
among the newer industrials, and by  
heaviness of some of the standard  
investment stocks and bonds. New  
low prices were established by Penn-  
sylvania, New York Central, Rum-  
ley, Mexican petroleum and Califor-  
nia petroleum. New York central's  
heaviness was associated with a re-  
port that the company was to put  
out a large note issue. The opinion  
was expressed that the success of  
the recent offerings of securities will  
have a large bearing upon the out-  
look for the market. The decline of  
old established bonds since the of-  
fering of new issues at higher fig-  
ures has tended to restrict invest-  
ment buying, and it was regarded  
as probable that the degree of favor  
with which the new issues are re-  
ceived will serve as an index to in-  
vestment conditions. Some signifi-  
cance was attached to a sale of new  
St. Paul 4 1/2 general mortgage bonds  
at a fraction below the subscription  
price.

Bankers said that western and  
southern banks were drawing down  
their New York reserves. The effect  
was not reflected in the local money  
market owing to the lightness of the  
demand for funds.

#### RAILROAD NOTES.

Freight traffic conditions on the Alton at the present time, have no precedent in the history of the road. Such a month may never be experienced again. Normally, business collapses on April 1 and there is very little doing until summer. The coal mines are practically idle during April and May, ordinarily, and the few that keep in operation usually work on quarter or half time. Other classes of freight also decline and the result is that April and May class as the lightest freight months of the year. That there is certain to be a radical change this season is already indicated by the enormous offerings of freight at every interchange point. While the majority of the business is attributed to the flood conditions elsewhere and which has resulted in the detouring of traffic via the Alton because of inability to get service at other points, yet in addition there is healthy increase in other lines. The Bloomington Tagraph makes the above statement and says the Alton earnings for April, promises to be the greatest for that month in many years and the new engines, just placed in service, will prove a big factor in running up the figures to a lofty sum. The old saying has it that it's an ill wind that blows no one good. It can be paraphrased by saying that it's an ill flood that helps no railroads.

#### The New Baggage Ruling.

General baggage agents of the railroads of the United States are preparing to enforce the recent ruling of the interstate commerce commission as to charges for excess baggage, which becomes effective on April 29. Whenever the dimensions of a trunk exceed 45 inches the railroads will be entitled, under this ruling, to collect for each additional inch a charge equal to that for transporting 5 pounds in excess baggage. They are also authorized to refuse to transport as baggage trunks that are more than 72 inches in any dimension, and whips in flexible cases that are more than 90 inches long and 12 inches in diameter at the base.

#### Illegal Entering of Cars.

That the railroads all over the United States will take due advantage of the new law prohibiting the illegal entering of railroad cars containing an interstate shipment, is evident from the circulars they are now putting out.

The Illinois Central Saturday morning posted a notice in large type in the men's room of the Decatur station, giving a synopsis of the new law, also mentioning the fine for such an offense, should a person be convicted of entering a car or the seal of a car or entering it, provided it contains an interstate shipment.

N. C. Brown, an assistant attorney of the Wabash, of St. Louis, Saturday advised J. E. Stumpf, superintendent of the Decatur division, that a man who had been caught breaking into a car at St. Louis, which contained an interstate shipment, was sentenced by the federal court in St. Louis, to five years in a federal prison. He also said that the Wabash is planning to issue circulars and post them in places where they can be seen both by the people and the conductors, printing on these the new federal law, which was approved Feb. 13, 1913. The principal parts of the law were published in The Herald soon after it was approved.

Mr. Granger, special agent of the Illinois lines of the Wabash, secured a copy of the law from W. B. McKinley, when the latter was still a congressman. The Wabash now has pending several cases against men in the federal courts in Illinois, who were caught for illegally entering cars containing interstate shipments.

I. T. S. Purchases New Equipment.  
The increase of business on the lines of the Illinois Traction system has necessitated the purchase of additional equipment for both the freight and passenger service. Six new passenger locomotives, six freight motors, four light motors for freight and yard service, one new parlor car, one new sleeper and fifty new coal cars equipped with drop bottoms have been ordered for delivery this spring. The parlor cars and sleeper and the motors for the other cars are being constructed by the St. Louis Car company. The other cars are being built at the traction system shops at Decatur. The parlor car and sleeper will be used for extra service. The new dump cars were purchased to haul shale from the large shale tract purchased by the Decatur Brick company. The shale tract is on the local I. T. S. belt line. With the cars the traction company will be prepared to handle the business of transferring the shale to Decatur.

#### TRACTION LINE AT ISSUE WITH STEAM ROAD CO.

The Illinois Traction Co., and the Big Four railroad are involved in a peculiar crossing tangle at Bloomington, and the whole matter is before the Illinois Railroad and Warehouse Commission for settlement.

One of the big new warehouses at Bloomington is vitally interested, as it is prevented from obtaining steam railroad connections by the controversy. The plant was erected, and it was assumed the Big Four would have no difficulty in making connections, but the steam line ran afoul of some of the interurban right of way, and the project was halted. It required strenuous efforts on the part of the McKinley line to protect its rights. Cars were placed in the path of the workmen to stop the work until a court injunction could be secured. This injunction is still pending. In the meantime the railroad commissioners have been asked to take a hand.

#### MARKET LETTERS.

##### Chicago Live Stock Market.

Chicago, April 14.—Oliver S. Green with Walter Bros., U. S. Stock Yards, Chicago, reports the receipts for Monday, April 14:

Cattle—29,000.

Hogs—37,000.

Sheep—20,000.

Muddy feed yards in many sections of the cattle feeding belt caused the liberal run of cattle today and prices were forced materially lower. Bulk 10 to 15c under last Wednesday; with some of the medium to good stuff 15 to 20c and places 25c lower than one week ago today. Tops \$9.10, being 10c off. A fair proportion \$8.75 to \$9.00 and such generally 15c lower. Cheap grades a mean sale, with ones under \$8.25 getting short competition. Bulk butcher stuff about steady. Some heavy cows and heifers a little lower. Bulk in good demand at steady prices. Only a moderate run of stockers and feeders. Demand slow and prices about like last week's close. We quote fat cattle prices:

Choice to prime heavy beefs,

\$8.75 to \$9.10.

Good to choice corn feds, \$8.35 to

\$8.70.

Medium to good corn feds, \$8.10 to

\$8.30.

Plain to medium warmed up,

\$7.75 to \$8.10.

Common to plain steers \$7.40 to

\$7.65.

Inferior to rough steers, \$7.00 to

\$7.35.

Good to fancy yearlings, \$8.35 to

\$8.85.

Fat cows, \$5.00 to \$8.00.

Heifers, \$5.75 to \$8.50.

A few extra fancy, \$8.55 to \$8.90.

Bulls, \$5.75 to \$7.75.

Common cutters, \$3.50 to \$4.95.

Plain heavy calves to good veal-

ers, \$5.00 to \$8.00.

Choice to prime vealers, \$8.25 to

\$8.75.

Inferior to good mixed stockers

and feeders, \$5.00 to \$7.50.

Good to choice stockers and feed-

ers, \$7.50 to \$7.85.

Selected feeders and prime light,

weight stockers, \$7.85 to \$8.10.

Selected feeders, \$9.50 to \$11.00;

\$8.00 to \$8.20.

Hogs opened steady to 5c higher;

closed 5c to 10c lower than easy

market. Tops \$9.40.

Mixed packing, \$8.90 to \$9.20.

Medium and butchers, \$9.22½ to

\$9.27½.

Poor to good heavy packing, \$8.85

to \$9.12½.

Rough heavy packing, \$8.50 to

\$8.80.

Selected packing and shipping,

\$9.15 to \$9.40.

Light weights, \$9.00 to \$9.27½.

Pigs and throwouts, \$2.00 to \$9.60

While the run of sheep and

lambs was moderate, prices under a

weak demand declined 2½ to 2½c.

Native ewes, shorn, \$5.05 to \$6.65.

Shorn native wethers, \$5.50 to

\$7.00.

Native wethers, wooled, \$7.50 to

\$9.00.

Shorn wethers, wooled, \$9.50 to

\$9.50.

Shorn lambs, \$6.00 to \$8.00.

Shorn native lambs, \$6.50 to \$8.00.

Colorado woolled lambs, \$8.00 to

\$9.25.

#### Kansas City Market.

Kansas City Stock Yards, April 14.—Country trade last week called for more stock cattle relatively than in the previous week and fewer fleshy feeders. The outgo was 7,000 head from here, as compared with 4,500 the same week last year. The fat steer market advanced 15 to 25c after Tuesday, and it carried stock cattle and feeders with it. Stock grades particularly sold strong, some dealers asserting prices were at top notch for the season. Some 450 pound high bred Hereford heifer calves sold at \$8.05 Friday, but stock she stuff as a rule ranged from \$5.75 to \$7.25, stock steers, \$6.75 to \$8.00, feeders \$7.50 to \$8.25. Tops a year ago brought \$6.75 to \$7.45. The promising outlook for plenty of grass and a good start on the hay crop were factors in the demand for stock grades. Receipts here today are 9,000 cattle, and the big run at Chicago today, 29,000 head, together with the fair run here, did no damage to prices of anything except heavy fat steers. One dealer today said that his purchases for Illinois since last January this year were double those of last year, and pointed to the big run at Chicago last Monday and today as bearing out his conclusions that more cattle were on feed in Illinois now than anybody counted on. On the other hand, cottonseed meal dealers say demand for concentrated feed is far below normal, indicating a dearth of cattle on feed, though the abundance of corn on farms must be considered. Top steers here today brought \$8.75; bulk of sales at \$8.90 to \$8.40; bulls, \$6.00 to \$7.50; cows, \$6.50 to \$7.50; heifers, \$7.00 to \$8.35; veals, \$8.00 to \$9.25; quarantine steers, \$7.00 to \$7.70; common southern cattle, \$4.50 to \$6.00. J. A. Rickart, Market Correspondent.

#### SUFFRAGE SPELLS PROGRESS.

Jackson, Miss., April 15.—In her address opening the annual convention of the Mississippi Woman Suffrage Association here today Mrs. Lily Wilkinson Thompson declared that "in the order in which the states recognize the right of women to vote, in that same order may they be classified as to progressiveness." Prominent leaders of the suffrage movement from many states are attending the convention, which will continue until Thursday.

#### OHIO RIVER RECEDES.

Cairo, Ill., April 15.—The Ohio river by tonight had receded to the 52 foot stage, a fall of .8 foot since last night.

Adjutant General Frank S. Dickson left today on the steamer Illinois, carrying a full load of supplies to the flood refugees in the Wabash river bottoms.

Al Williamson of Carrollton was calling on friends in the city yesterday.

#### YOUNGBLOOD PRAIRIE.

Rain, mud and bad roads are the subject of the day with the people. J. E. Rawlings was transacting business in Jacksonville Friday and Saturday.

A. Hopper reports the sale of one hundred bushels of seed potatoes in the past two weeks from his store at Nortonville.

At the township election Saturday Gus Seymour was elected trustee. Born, Wednesday, to Mr. and Mrs. James Green, a daughter.

Born, Friday, to Mr. and Mrs. C. E. Edwards, a daughter.

W. S. Denpau of Hillview was a visitor here Friday.

William Kelly is in a very serious condition and his recovery is doubtful.

Mr. and Mrs. J. K. Henry are slowly improving and it is thought they will soon be able to be out again.

Edward Kelly of Jacksonville has been at the bedside of his father most of the week.

Robert Fanning of Beardstown visited with Mr. and Mrs. J. K. Henry Saturday and Sunday.

E. Hull and family, who recently returned from California, have moved into Mrs. Roberts' house here in town.

#### LINCOLN DIED 48 YEARS AGO.

Washington, April 15.—Today was the forty-eighth anniversary of the death of Abraham Lincoln. Several of the patriotic societies held anniversary meetings to commemorate the day and there were many visitors to the house where the martyred President breathed his last. The house contains the Oldroyd collection of Lincoln relics, notable among them the death mask of Lincoln.

#### SYMPTOMS OF CONSUMPTION

##### Yield to Vinol.

The medical profession does not believe that consumption is inherited, but a person may inherit a weakness or tendency to that disease.

A prominent citizen of Evansville, Ind., writes: "I was ill for five months with pulmonary trouble, and had the best of doctors; I had hemorrhages and was in a very bad way. Through the advice of a friend I tried Vinol, and I feel that it saved my life. It is all you recommend it to be. I believe it is the greatest medicine on earth. I have advised others to try Vinol, and they have had the same results." (Name furnished on request.)

Vinol soothes and heals the inflamed surfaces and allays the cough. Vinol creates an appetite, strengthens the digestive organs and gives the patient strength to throw off incipient pulmonary diseases.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you—Lee P. Alcott, druggist, Jacksonville, Ill.

P. S. For skin trouble try our Saxo Salve. We guarantee it.

#### WISCONSIN MUSIC TEACHERS.

Madison, Wis., April 15.—The fourth annual convention of the Wisconsin State Music Teachers' association began at the University of Wisconsin to day and will continue over Wednesday and Thursday. The membership of the association extends over the entire state and embraces teachers of both vocal and instrumental music. Six concerts have been arranged for during the convention, the programmes being made up from members of the association.

Misses Gaynelle Olinger, Beulah Roberts, Grace Roberts and Ima Berryman were among the out of town ladies who were shopping in Jacksonville Tuesday.

#### THE GUIDING LIGHT.

##### Synopsis.

At the head of Casco Bay, Peter Fife, venerable keeper of the light house nearby, lives alone with his beautiful seventeen year old blind daughter and is unable to have her sight restored. Harry, a fisherman, the girl's lover saves his scant salary for months until he accumulates enough to pay for an operation. Dick Drayton, a half-witted vagabond, sees Harry give money to Marie's father. He determines to steal the money. The unsuccessful thief, convulsed with rage, determines, as a revenge to put out the lamp in the light house. The developments are of intense interest.

RECEIVES CALL TO  
LOS ANGELES CHURCH

Rev. John Balcom Shaw of Chicago is sought by the Emanuel Presbyterian Church of West—Will Look Over Field.

Rev. John Balcom Shaw, of Chicago, who is well known in this city having on more than one occasion given addresses under the auspices of Illinois college, has received a unanimous call to the pastorate of the Emanuel Presbyterian church in Los Angeles, Calif. The Chicago Record-Herald of Tuesday in speaking of the call says:

"Rev. John Balcom Shaw, pastor of the Second Presbyterian church, East Twentieth street and Michigan avenue, has received a unanimous call from the Emanuel Presbyterian church of Los Angeles and will leave Wednesday night to look over the field in the western city."

"This announcement was made by Mr. Shaw to the board of trustees yesterday morning. He has been pastor of the Second Presbyterian church since 1904. He received a telegram from the board of trustees the Los Angeles church apprising him of the call."

"Mr. Shaw was born May 12, 1869, and was ordained a Presbyterian minister in 1888. He was sent to the West End Presbyterian, New York, and remained there until called to the Second Presbyterian church. Mr. Shaw graduated from the Union Theological Seminary in 1888 and is the author of many books."

## WILL NOT PLAY WESLEYAN.

Illinois's Game of Baseball is Called Off.

Coach W. T. Harmon announced Tuesday, on his arrival from Merced, that the baseball game with Wesleyan had been called off. Tuesday was the first day that the team could be on the diamond and the coach thought the men not in condition to play, so wired the Bloomington authorities to that effect. Wesleyan, without a doubt, is also glad the game is cancelled, because they have not had a chance to practice either, on account of the rainy spring. There was no contract between the two schools, so nothing is lost on either side.

Spring work is delayed by the weather but you need gloves and shirts. Try Knoles.

ANDERSON SCORES CLEAN  
KNOCKOUT ON "K. O." BROWN

New York Fighter is Knocked Down Ten Times During the Fifteen Rounds.

Los Angeles, Cal., April 15.—"Bud" Anderson of Oregon won from Knockout Brown of New York tonight by a clean knockout in the fifteenth round of their scheduled 20 round light-weight bout.

A month ago the pair fought twenty rounds to a draw in the same arena. Brown was knocked down ten times during tonight's fight. Officially the decision was that Anderson stopped Brown in the fifteenth round, but Brown was unconscious when Referee Charles Epton raised Anderson's hand in token of victory.

Only three rounds could be credited to Brown. In two others he held Anderson even. In all of the rest the Medford boy led. Brown's jaw at all times was an unguarded target for ponderous blows of Anderson, and it was only his gameness that kept him fighting as long as he did.

Anderson looked when he appeared in the ring.

Evidently he had had difficulty in making the weight. The effect of the strenuous measures he took to save his weight forfeit money was shown in one or two rounds of the fight when he appeared to be tiring rapidly.

Brown was helpless when he came up in the fifteenth, Anderson sending in five uppercuts to the jaw as they met. Brown went down for the count of nine. He hung on desperately when he regained his feet, but another right to the body sent him down a second time. He rose helpless and fell under a third blow to the jaw, and was still on his back when the referee raised Anderson's hand, declaring him the winner.

## SOCIAL EVENTS.

Miss Alberta Quigg of Joy Prairie was the hostess recently of a party in honor of her seventeenth birthday. Games of various kinds were played and prizes were won by Miss Beatrice Stanley and Clyde Black. Among the guests from a distance was Miss Mary Treadway of Virginia. The house was decorated with pink carnations, ferns and American Beauty roses. In the dining room the color scheme was pink and white. The table was decorated with candles and ribbon runners with a beautiful birthday cake in the center.

The Household Science club met at the home of Mrs. Henry English on South Diamond street, Tuesday afternoon. After the minutes of the last meeting and the usual routine business had been transacted a paper written and read by Mrs. English on salads was greatly enjoyed by all present. Tuesday was the birthday of Mrs. Ellis and she was the recipient of a large birthday cake, bearing three candles, which signified love, friendship and long life. She also received a large plant from the members. At the close of a very delightful afternoon refreshments were served.

Mrs. Albert Crum entertained the Ladies Aid society of Litterberry Christian church at an all day sewing at her home in Litterberry Tuesday. There were about twenty ladies present and at noon an excellent three course dinner was served.

The Busy Bee Sunday school class of the Brooklyn M. E. church held their monthly social and business meeting at the parsonage Tuesday night. Twenty girls compose this class, which is taught by Mrs. J. W. Moon. The semi-annual election of officers was held which resulted as follows:

President—Ethel Reeve.  
Vice-president—Lucille Alkire.  
Secretary—Estelle Schofield.  
Treasurer—Ethel Cruse.  
Chairman entertainment committee—Bernice Redding.

The class voted to hold a monthly social and business meeting the second Tuesday of each month. Three new members were voted in, Lucille Straight, Alma Gibbs and Maude E. Landis.

After the business session games and music afforded pastime and this was followed by a buffet lunch served by the pastor, Rev. Hy S. Alkire.

A. A. Kemp, east of the city was very pleasantly surprised Tuesday, the occasion being his 32nd birthday. Quite a number of relatives and friends were present, each bringing well filled baskets and at the noon hour a sumptuous dinner was served and the day proved most enjoyable.

Among those present were: William Kemp and family, Thomas Kemp and family, Mr. and Mrs. Jesse Kemp, all of Roodhouse; John Hurst and family, George Taylor and family, Mr. and Mrs. David Taylor, Mr. and Mrs. Leslie Switzer and William Switzer of Jacksonville and Mollie Redding and daughter of Virden.

The Tribe of Ben Hur, held a business session last night, which was followed by a social time. Progressive pitch was played and the first and second ladies prizes were won respectively by Mrs. Gertrude Dye and Miss Lott and the gentlemen prizes by Walter Quinlan and Louis Lott. Light refreshments were served.

Special offerings in work shirts and jackets at Knoles.

## MISSION STUDY CIRCLE MEETS.

The Mission Study Circle of the Congregational church met at the residence of Mr. and Mrs. R. P. Joy, 867 West State street Tuesday evening with a large attendance. The subject of the evening was from the book that the circle has been studying: "Mormonism, the Ism of America." L. S. Doane was the leader and his paper included the subjects: "The Sacred Book of Mormons," and "Organization and Government of Mormons." Mr. Doane gave a very clear idea of the origin of Mormonism and of its teachings and politics. A very interesting discussion followed after which a social hour was enjoyed, when refreshments were served.

#### Are Colds Catching?

It is claimed that most colds are catching as measles and that one should avoid the association of anyone who has a cold. Never permit anyone who has a cold to kiss your child. Avoid crowded cars and poorly ventilated sleeping rooms. Then when you take a cold get rid of it as quickly as possible. Chamberlain's Cough Remedy.

#### KNIGHTS OF KHORASSAN HOLD BIG CEREMONIAL

Many Tyros Are Taken Across the Hot Sands—McCarty's Arabs in Fine Trim—Order Raises Fund for Imperial Palace Session in Minneapolis.

One of the most successful ceremonials in the history of the D. O. K. K.'s of Ilderim Temple No. 62 was held last night in their hall, with a large number in attendance, many being from out of the city. A splendid class of Tyros was ready for the journey across the hot sands and McCarty's Arabs were never in better shape to see that the journey was made on schedule time with all the strange and fascinating incidents connected with the trip.

The eighth order was under the supervision of L. E. Smith, chairman; A. D. Arnold, George S. Lewis, Harry P. Obermeyer, Bert Mathews, Earl M. Johnston and James Green.

The candidates were E. J. Christopher, Grover Hart and Charles S. Dikis of Waverly, Earl N. Epler of Beardsdown, Roy Atherton, Charles Godfrey, Fred Mount, O. N. Barr, C. S. Martin, Layton McGhee and J. O. Monroe and Richard McKay.

The following were members of the degree team:

Royal vizier—R. I. Dunlap.  
Grand emir—M. E. Gilbert.  
Shiek—J. W. Kettle.  
Mahedi—Gilbert Masters.  
Joe—L. O. Vaughn.  
Mokana—E. P. Brockhouse.  
Satrap—H. L. Barros.  
Sahib—John E. Hall.  
Conductor—J. K. C. Pierson.

The orchestra was composed of M. E. Gilbert, A. J. Donovan, John Kearns, J. Herman, Charles A. Sheppard and William Shub. The quartet was L. E. Smith, W. W. Gillham, J. L. Profit and M. E. Gilbert.

The D. O. K. K.'s promised to contribute \$350 toward the fund for expenses connected with the big Imperial Palace session to be held in Minneapolis next July, when the temple expects to send McCarty's Arabs to Minneapolis to take part in the competitive drills. A committee was appointed to look after the raising of this fund and it is being arranged to give an entertainment for that purpose.

Following the work of last night a banquet was served. Among the visiting members were J. W. Kettle of Franklin, W. H. Rohrer and O. A. Rohrer of Waverly, John Crane of Beardsdown, J. H. Shriver of Virden, A. L. Hamilton, Louis Broverman, Mr. Marsh and Harry Stoller of Springfield, J. N. Beavers of Bluffs, Mr. Bundy and son of Roodhouse.

Rheumatism as a result of kidney trouble, stiff and aching joints, backache and sore kidneys will all yield to the use of Foley Kidney Pills. They are tonic in action, quick in results, curative always.

W. S. Skelton, Stanley, Ind., says: "I would not take \$100.00 for the relief from kidney trouble I received from one single box of Foley Kidney Pills." City Drug Store, J. A. Obermeyer.

#### CORONER'S VERDICT IMPLICATES BANK CLERK

Washburn, N. D., April 15.—The coroner's jury, impaneled to inquire into the death of Fred E. Funk, cashier of the First National Bank of Washburn, who was last night mysteriously murdered late tonight brought in a verdict declaring that the bullet which killed the banker was fired from a window in the home of W. T. Anderson, a clerk in the bank with which Funk was connected. Anderson is in jail here.

Funk, with his wife and two children were on the back porch of their home. One of the children was playing and fell, and when Funk stooped to pick up the youngster a shot rang out and Funk pitched forward. The bullet entered the back and came out just above the right breast.

#### DAVY'S SENTENCE AFFIRMED.

Chicago, April 15.—The federal court of appeals today affirmed the sentence of Charles A. Davy, an attorney of Indianapolis, Indiana, to serve one year in the Leavenworth penitentiary and pay a fine of \$1,000. Davy was convicted on November 29th, 1911, of bribing a prospective grand jury witness to evade summons.

#### LIGHT BOND ORDINANCE FAILS OF PASSAGE AT ELECTION

Result Is Very Close and Majority Recorded Against Is Eight—Hall and Bavington Are Board of Education Members.

The total vote cast Tuesday in the bond election was 2042 and the majority against the issue was eight. The totals were: for the issue 1917, against 1925. In the Board of Education election John E. Hall was elected in the first ward over W. S. Badger by a majority of 346 and in the second ward E. E. Bavington was chosen over Dr. Wolfe by 159. In the first ward the total school vote cast was 823 and 284 women voted. In the second ward the total school vote was 842 and the number of women voting was 380.

The figures in the bond election were surprising closely and studying them by precincts some interesting facts. Five voting precincts favored the issue and three voted against it. Both precincts in the first ward voted against the proposition and both in the fourth ward favored it. In the third ward both precincts favored the proposition.

In the second precincts of the third ward there were four defective ballots which indicated that the voters intended to vote for the issue. These were not counted and were turned over to the canvassing board for their decision.

The figures by precincts follow:

Bond Election Vote.		
First ward—	Yes	No
No. 1	191	119
No. 2	107	116
Second ward—		
No. 1	110	83
